

Below is a list of conditions which may seem unrelated to the purpose of your appointment. However, there are many conditions that respond favorably when treatment is given that increases your body's ability to function correctly. This office specializes in such treatment and if you wish, an individualized program will be suggested. Please check the symptoms you have experienced in either (or both) of the chronic (recurrent symptoms) or acute (symptoms you have now). Leave the question blank if neither acute or chronic symptoms are present.
